Science and Technology Park of Qazvin Province, Qazvin, Iran

EDUCATION

2015 - 2019

POLITICAL SCIENCE
at Imam Khomeini International University 📍 Qazvin

I was and still am very interested in humanities and social studies. Before university, I was engaged in artistic activities in the field of graphics, web design and audio and video editing. I preferred to learn social sciences academically in the university and at the same time strengthen and pursue my favorite activity with the help of virtual training outside the university.

CERTIFICATES

2018

Seo Strategy and Content Creation at MPT Academi - Certificate Number: 95863803

2016

0-100 Wordpress Theme Design at HamyarWordpress Academy - Grade: A

2016

Digital business , transforming Patterns and Social Media at IKIU university
