EDUCATION

- Present 2024 ● **MASTER TECHNOLOGY ENTREPRENEURSHIP** at University of Tehran Tehran

I have a strong passion for the world of innovation and technology ecosystems. This is evident from over five years of work experience as the Manager of the Qazvin Innovation Center and Provincial Branch Manager of a coworking space, as well as participation in related courses.

I am currently a student of Technology Entrepreneurship at the University of Tehran, building on the knowledge and experience I have gained.
